

## ***Questions To Be Asked***

Categories school based on class levels

1. Pre-primary (Nursery,LKG,UKG)
2. Lower Primary (1-4)
3. Upper Primary (4-8)
4. High School (9-10)
5. Senior Secondary (11-12)

For these 5 kinds of school levels we can have different parameters to classify them as good or bad.

These are the basic questions that one could ask to any school of any class level.

1. Location of the school.
2. How far is the school?
3. Is it government or private?
4. Does school have classes from lower- primary standards to secondary level?
5. Board of the school.
6. Does school have sub branches?
7. Is the meal provided in school or not.
8. Seperate classes for boys and girls?
9. Does school have co-curricular activities (music,martial arts) .
10. How many teachers are there in the school?
11. What is the number of female and male teachers
12. What is the student to teacher ratio?
13. Does school only have female teachers for primary schools or male teachers?
14. Number of hours per class?
15. Are students taken out for different kinds of exposures.
16. Are different kinds of activities done for overall development ?
17. Does school have hostel facilities ?
18. Does school have computers ?
19. What is students to computers ratio
20. Does school have a library?
21. Types of books in library
22. Number of books in the library.
